Fellow RVers

Tis the season for many things, but one that is at this time important to our members is the selection of 2016-2017 season rallies. We need new ideas, old ideas, and many helpful Tucson Drifters for Rally hosts. This is your club and we all must contribute to its success and future.

With that said, the next activities meeting will start at 4:15 p.m. on Tuesday, Dec 6, prior to the dinner meeting. We hope to see you all and gladly thank you, in advance, for your participation. We have some serious work to do!

President's Corner:

Hello Drifters,

As my 3rd term as Drifter's president comes to a close, I want to wish you all a Very Merry Christmas and a most Happy and Prosperous New Year. I am excited about the new season and the activities that we will be having for the next 5 months. I look forward to seeing everyone at the December dinner meeting.

The nominating committee presented the officer and director list which was approved at the November Dinner Meeting and will take effect in January. (I thank Linda Salfen as our new President and Suzi Bass as V.P. for volunteering). The other Officers and Directors agreed to stay in their positions and I want to thank them for staying on for another year. I would like to thank the nominating committee for their effort on this. I will continue as Web master of the Drifters website.

Our club continues to be a very active group. We enjoy getting together for a great time at our activities. That is what this Club is all about. Thanks to everyone for participating in our events. I hope everyone is back in the swing of things and is ready for the Tucson Drifters 2016-2017 season. We have a good number of new members and I want to welcome all of them to our new season. We have a lot of activities planned for this season and hope everyone will get out and enjoy them. Rallies and dinner meetings are the two things that we do the most in this club. The rallies are under the direction of Ruth Roubal and her team. She is always looking for people to be rally hosts or to help out with rallies.

Good Sam and FMCA have large rallies planned for next year that I hope all of you will consider attending. We will all park together to enjoy the events. The Good Sam Rally is at the Phoenix Raceway from February 23-26. The FMCA Rally at Wild Horse in Phoenix is March 7-10. Dry camping RV parking is either March 5 or 6th. Electric parking is March 6th. Other rallies to San Diego, Rocky Point, and New Mexico have been planned (See other sections of the newsletter for details and signup info.)

I encourage all of you to also be on the lookout for additional new potential members. Give them one of the new brochures and refer them to the Drifters website. It has lots of information about the club and access to the newsletters. www.tucsondrifters.org

Check out the website for the latest rally pictures and updated brochure as well as the calendar of events and helpful links to other RV related websites. Also, check the website to make sure we have the correct coach info listed for you. If not, send an e-mail to our treasurer so we can update the membership listing.

I encourage all of you to consider purchasing a logo'ed Tucson Drifters shirt to wear at Drifters events. We now have an arrangement with Aztec Embroidery and Screen-printing here in Tucson that allows you to order a shirt in men's and women's sizes and styles directly from the vendor. See the newsletter or website for more details.

I always welcome your comments and suggestions.

Don't let that rig stay in the driveway...Let's go places!

Zig and a Little Zag thru NEW MEXICO

May 14 - 25, 2017

We start our 12-day journey in Las Cruces at the Hacienda RV Resort. We will be visiting the White Sands National Monument...famous for its 275 square miles of the seemingly stark, brilliant white gypsum sand. Next stop... the White Sands Missile Range Museum where you can trace the origin of America's missile and space activity.

The adventure continues as we zig north and slightly west to Cedar Cove RV Park in Elephant Butte. Our space activities will resume when we visit Space Port America. You'll feel like an astronaut, if you choose to enter the G-Shock simulator or venture into the Spaceport Operations Center where you will interact with Spaceport America crew members. We will also see a state-of-the-art fire station.

Now we are ready to continue the journey. We will go north and slightly east to find the American RV Park in Albuquerque. For our first night in town, the hosts have scheduled a pizza party in the resort's clubhouse. The next morning we board a trolley for a tour of Old Town and the surrounding neighborhoods. Over the next few days we will be going to The Albuquerque Museum of Art & History and the New Mexico Museum of Natural History and Science. Another morning finds us at the Turquoise Museum. Here we will learn about the processing of a turquoise stone from digging in a mine to sitting on the shelf of the jewelry store. An evening of magic and entertainment will start when we enter Max's Magic Theatre for a private show that will leave us all wondering if we need to schedule an eye exam...or...is it really magic?

We begin the zag portion of our journey as we relocate to the Santa Fe Skies Resort in beautiful Santa Fe. Our tour of Santa Fe starts at the New Mexico State Capital Building. A trolley will carry us through the city and beyond before returning to the Cathedral Basilica of St. Francis of Assisi. The afternoon has been left open for you to do more site seeing, shopping or a little relaxation. The final adventure as a group will be a visit to the Los Alamos Bradbury Science Museum, where you will learn how the atomic bomb was developed. The last day is free for you to explore Santa Fe and/or surrounding areas. Just be back in time for the Farewell Dinner.

The fee for this rally is \$900. The cost includes all 50-amp full hook-up RV spaces, admission to all venues, four host provided meals, two dinners out, and one lunch.

Rally limited to the first 15 registrations - so get your reservation in now.
