## UPDATED RALLY PLANNING GUIDE

Thinking of helping with a future Rally. Check out the Tucson Drifters website for an updated version of our Rally Planning Guide.

## SUMMERTIME TRAVELS

Marv & Suzie Bass sent this picture showing how **not** to increase your RV mpg!

This gives a whole new meaning to the term "Rolling Rally." Check engine light between Van Horn and Alpine, Texas led to a "hard broke - do not drive" diagnosis by Cummins. Soooo, a fuel saving 'roll' to Cummins service facility in Odessa, Texas. Lost a couple of years watching Marv back the coach onto the trailer but he did it first try!! Three days later all is well, and we are 'rolling' home. Unfortunately, missed the rest of the rally folks 'rolling' into "The Big Bend" - - - maybe another time

## President's Corner:

*Welcome back everyone. Hope everyone had a great summer. I know some of us had motorhome issues and hope they are all resolved so we can start our Drifters year out right.*

*I know we have two great rallies to start the year off right. I for one am looking forward to both of them and I know the rally masters have worked hard to make them very enjoyable.*

*I'd like to thank Gary Wood for coming up with a rally for January. Also, a big thank you to the nominating committee for filling the slate of officers & directors for 2019.*

*Sorry I won't be with you for our first meeting, but we are still in the Pacific Northwest. We had a wedding the 15<sup>th</sup> of September and are now in Bend, OR. for our annual motorhome service. So we will meet everyone at the Lake Powell rally.*

*As our moto states "It's not where you go but who you go with".*

*Linda*

## AGE OF AQUARIUS RALLY

NOVEMBER 8- 11, 2018

"5 STAR" SUNFLOWER RV RESORT  
16501 El Mirage Road, Surprise Az. 85378

"Jack to Rose - "Winning that ticket Rose, was the best thing that ever happened to me... it brought me to you. You must do me this honor, Rose. Promise me you'll survive. That you won't give up, no matter what happens, no matter how hopeless. Promise me now, Rose, and never let go of that promise."

### TITANIC

Titanic Heart of the  
Ocean Sapphire  
Pendant  
for each Lady

Join us for a fun filled weekend of pleasures to be treasured and new venues. We will start out at a new location RV Park "SUNFLOWER RV RESORT" by Cal Am, that our club has not had the pleasure of staying at in the past. This is a lovely resort with many amenities.

Thursday you will arrive at your leisure with a comfortable drive of appx. 2 hours from Tucson. That evening you will be treated to a post Octoberfest dinner prepared by your hosts. We will have Brats, Hot German Potato Salad, Czech style Sauerkraut, Hot Apple Strudel with vanilla ice cream and of course German Beer. After Dinner we suggest that you join the live music "At The Tiki" lounge by the Pool and Spa area.

Friday we will travel to the OdySea Aquarium.

We will be treated to a State of the Art newer aquarium with many exhibits. Check times for "Catch a talk or feeding demonstration" upon arrival. Should you be inclined to take a special added feature they will be offering a certified guide that will take you deep into one of their largest underwater environments in a truly immersive experience where you'll be surrounded by thousands of colorful and curious marine life from the Indo-Pacific region of the world. You will bring your swimsuit, they will have an OdySea Aquarium wetsuit and Sea Trek helmet for you (no wet hair in this helmet). A 20-minute Sea Trek safety briefing will be first before entrance into the large aquarium for your sea walk. This added feature will last appx. 1 hour. The additional cost of this once in a lifetime experience will be at a discount of \$59.95 per person for our group. Normally this is a \$100.00 venture. We will be limited to 8 participants at one time and this activity includes a special photo taken during you Sea Trek experience. Remember this is our Age of Aquarius rally (water and more).

That evening we will have Dinner and if you have the energy, participate in listening and dancing to music "AT THE TIKI" lounge by the Pool and Spa.

Saturday we will travel to the "SCOTTSDALE RAILROAD MUSEUM AND PARK". The Scottsdale Railroad Museum captures generations of railroad history into a unique, one-of-a-kind attraction. The museum consists of the historic Peoria Depot, The Roald Amundsen Pullman Car and several other railroad artifacts and memorabilia that's sure to bring the history of railroads to life. The Arizona Merci Car is on display at the park and exhibits captures the gratitude and personal history of World War II France. In 1948 after the war the residents of France packed 49 rail cars full of donated items and delivered one to each U.S. state as well as Washington D.C. as a way of saying thank you to Americans for their support. The Merci Car exhibit will feature personal items from the

residents of France dating from this historic period - toys, books, clothing and thank you notes that express a nation's gratitude for U.S. support.

We will also see Engine No 6 that hauled copper ore from Superior to Magma, Arizona for 38 years. The Roald Amundsen Pullman Car that was built in 1928 is one of the last cars built by the Pullman Company. This is best known for being used by every president from Herbert Hoover through Dwight Eisenhower. It was on this car in 1940 that President Franklin Roosevelt and the Canadian Prime Minister signed the agreement that provided for the joint defense of North America, now known as NORAD.

We will also see the historic Peoria Depot as this is the entrance way to the Scottsdale Railroad Museum, "The Baggage Car" which houses a large portion of the museum's most precious items. Don't forget to look at "The Gabe Brooks Machine Shop" widely considered the finest machinist in the country during World War II.

Little Trains - Big Fun awaits you in their newest attraction. A 10,000 sq. foot model railroad building that houses four model railroad clubs, three layouts and a variety of exhibits and hands on amenities. Best of all we are working on a guest speaker from ASU on Trains. Please bring a lounge chair for this event to be held in the open park (bring snack if so incline).

The rest of day is free time in downtown Scottsdale, malls, etc. Beautiful location of Arizona.

Continuing on with our rally theme "Age of Aquarius" we will be going Saturday evening to the Broadway Theater for Dinner and the Broadway Show *Titanic*. Jack and Rose will come alive for us on stage with great music and dancing. THIS IS NOT TO BE MISSED. Dinner will be a wonderful 3 course gourmet meal.

Cinnamon Roll and Coffee or Oatmeal, fruit, Toast and Coffee or French Toast and Coffee. Check out time is 11:00 AM.
