HEY, WHAT'S UP NEWS!

INFO FROM RMMA RALLY

Your National Director (Suzi Bass) and Secretary (Marv Bass) attended the "Rocky Mountain Roundup," in Farmington, NM in early October. They attended seminars and obtained some good information contained in the following discussion..

The Family RV Association (FRVA) has made many improvements to the website and still more are coming. An article discussing these efforts is to be in the next FRVA magazine. **IMPORTANT**: YOU NEED TO SIGN IN TO THE NEW FRVA WEBSITE!! if you have not done so. Your 'old' info is still there but your old login is not. Go to www.frva.com login and you'll be directed through the process; requires using email address.

If you wish, both Pilot and Co-Pilot (husband/wife/significant other) can each "establish" membership and have their own portal; probably requires differing email addresses. You will end up with a "portal" page which is you and your information. You can make changes to specific areas as needed/desired. (You'll now have two URLs you can use: www.frva.com takes you to the 'website;' www.app.frva.com takes you directly to your portal. You can go to/from each of them and associated tabs.). Changes to website layout/updated info/data retrieval, etc. suggest it would probably be well worth a bit of (spare) time to go through each of the various tabs and areas of information to see exactly what is there. Also, on subsequent logins and moving between some areas you'll see a brief dialogue box about ID authentication. FRVA has layered in several personal info/site security measures.

An area of continued emphasis and effort by FRVA, and the areas (like RMMA), is new membership. There are some specific things our Executive Board may be able to capitalize on (financial reimbursement) which will be considered. You'll see discussion in future FRVA magazines about other efforts. A key element of most of the discussion and planned efforts involves YOU. Individual contacts and exchange of information about FRVA, and the Drifters, remain an essential part of all recruiting efforts.

Benefits were another key element of new member recruiting that was emphasized. Most/many of us 'simply' think of the medical assist program as the benefit to FRVA membership.

As part of your (spare) time perusing the website be sure to review all the info under the Membership tab drop-down menu -- Benefits and Discounts. Some of us may pay dues to another RV organization to get a tire benefit. FRVA has the same program. And don't forget it can include your car(s) as well as RV. Check out FRVA University. Check out Stoppin' Spots. There were several positive anecdotal stories about members using one or more of the categories of help available, often on the road, from other FRVA members. Did you know you can get discounts to Disney World and many other attractions? At the October dinner, one of our members told of once getting the best deal on rental car rates through FRVA. You may find that there are several benefits available that you didn't know about.

So, sign in to the new FRVA website. Then spend some (spare) time familiarizing yourself with what it has to offer.

*** Another IMPORTANT check. When you've established your membership, ensure that your portal lists both you and your co-pilot. If your co-pilot is not shown, they are 'not' a member of FRVA and benefits, like medical assist, are not available to them.

RECAPTURE OF SAN DIEGO RALLY

Your rally hosts would like to thank everyone that ventured out to the rally with "Rachel" the tropical storm that hit us while we were staying at the beautiful RV location in San Diego. We did just fine with the weather and no flooding occurred, nor did it stop our planned events.

We started out with a golf day at the Naval Base on Coronado Island. Some of the best scores were Paul Spaeth with a 82, Carol Frizzell with a 83 & Jan Spaeth with a beautiful score of 88. Prizes were given out by a drawing and the winners were Carol Frizzell and Bruce Kelly.

That evening we had a cook-out with Brats and Trimmings at camp central followed by the movie "TOP GUN" with Tom Cruise. By the way, the evening before the group took the train downtown to eat at the famous Kansas City Grill where some of the scenes were filmed. Great BBQ and a lot of atmosphere to take in.

Saturday started with breakfast at Camp Central. Later in the morning we took a Harbor Bay cruise of 2 hours. Got to see the Navy ship "Lincoln" at its berth at the naval base North Island. That evening we all took in the famous restaurant Casas de Reyes for some good Mexican Food. Weather still holding out until the mighty 8 took the Ghost Tour. They featured several ghost homes, including the Grand Hotel in downtown San Diego. We had plenty of rain on this tour, but your Tucson Drifters mustered thru on this one.

Sunday was breakfast in the upstairs facilities of the RV resort.

Later a large group took the Seal Tour. That afternoon we ventured to Little Italy for a great Italian dinner. The antipasto plate was to die for and plenty of food was served. We finished off the evening with ice cream and cookies in the upstairs facilities at the RV resort. The views of the bay and city lights were great.

All good things must come to an end and on Monday most of us traveled back to Tucson with some stopping in Yuma for some R & R.

We had a few members write a note to the rally host and would like to share them with you.

Bonnie and I would like to echo our appreciation to those that put on this rally. The work that goes into this is not un-noticed or the delayed response.We spent an additional week in North County. Even took some of the casinos money. It was great seeing you all. Looking forward to Tombstone.

Jeff and Bonnie Wenzen

Jan Spaeth wrote: Ditto from Paul and I! We had a great time with our drifter family and enjoyed all the activities. We also love the RV park, and are staying here until Friday to further enjoy the area. 👍😊

I would like to thank Ruth, Tom, Bernie, Kendra, Ron and Catherine for all of their hard work and efforts in putting together the San Diego Rally! The breakfast, dinners and planned excursions were all excellent! The little bit of rain could not stop us from having a great time with all of the fellow drifters.

The weather was actually very nice for the most part and our accommodation at the club house was first class.

With kind regards,
Alan & Jen

On behalf of your rally hosts, we again Thank You. We would also like to thank Barbara and Jim Schultz who became ill and could not make the rally. We missed you both and get well.
